After centuries alone, can a vampire king trust the woman who's woken his heart? Jordan MacDougal, laird and vampire King, walks a thin line of civility between protecting his clan, and handling the conflict from the local shifter pack. When some of his people disappear, and the wolves accuse his newest, intriguing vampire of being evil, Jordan discovers that the traitor in his midst may be closer than he dared believe. A newly turned vampire, Dalia Jensen wakes to an unusual and frightening new world, with no memory of the past year of her life. Accused of working with the Master Vampire who held her prisoner, her inability to remember the truth leaves her reeling under allegations of vicious past actions. Uncertain of her culpability, she's unable to trust her own instincts as the reigning Vampire King turns her world upside down. When the wolves call for her trial, demanding her life for those killed and tortured, Jordan and Dalia must work together to find the truth, and save the love blooming between them. Destiny Allen, a Web designer for software giant Scenaria Security Systems, finds herself involved in a deadly puzzle that blurs the boundaries between the virtual and the real. At stake: the infrastructure of modern America. Her resources: Dina Gustafson, a college friend, and Karl Lustig, an Israeli technology journalist with friends in dark places. The challenge: sort the good guys from the bad before the lights go out. A fast-paced technology thriller, Web Games is about real risks and virtual worlds, about Internet threats as close as tomorrow's nightly news, and about the ever-escalating warfare between black-hat hackers and modern society.

In a novel about the awful price of heroism, rookie pilot John Ellsworth is eager to liberate Vietnam from its Communist oppressors, while Army nurse Kate Moffit hopes only to rescue John from himself

'Where are we? Kady asked, as they turned to look at the entire room. They saw the kitchen had a wood-burning stove, no sink faucet, and no refrigerator.' 'I don't know, Allie said, "but look out this window, across the yard and the garden. Isn't that the cotton patch where Nanna said she had to cross the narrow dirt road to help pick cotton?" The sisters, Allie, Kady, Lindey, and their cousin, Taylor, have been transported into their great grandmother's world when she is five and then again when she is seven. During their second visit, Taylor's little brother, Lance, shows up, surprising everyone, except Minnie, who has expected him and is so pleased he has come with them. This fictional story is based on contemporary children, who are real, and the historical, real-life happenings of the Tucker family in the 1920's told by Jewel Tucker Phillips.
