With a minimum of technical jargon, this best-selling guide shows and tells you how to troubleshoot and repair the most common TV problemsÑand avoid expensive repair bills! Even if your previous technical experience is limited to clicking the remote, this book can show you how to pinpoint your TV's problem and fix itÑusing just a few basic tools. This revised edition features a wealth of timely and practical new material on upgrades, too. You get information on universal remote transmitters, stereo TV, digital controls, new color circuits and picture tube sizes, and installing digital satellite receivers. A new "Symptoms and Causes" chapter makes troubleshooting quicker and easier than ever.

This bestselling television repair book retains all of the impressive features of earlier editions but is now completely revised and up to date, ensuring its place as the most comprehensive field guide for solid state TV repair on the market. Featuring extensive, detailed illustrations and photographs, this third edition also contains new flowcharts throughout for on-the-spot reference. Troubleshooting topics include low-voltage power supply; vertical, color and sound; picture tube circuits, and more. 475 illustrations.

For electronics technicians who want to keep up with ever-changing consumer demand, this professional guide to servicing today's advanced color television systems is an excellent, one-stop source of information on the latest troubleshooting & repair techniques. Covering everything from color TV basics to state-of-the-art test equipment, this fully illustrated manual supplies vital information on every aspect of TV systems, including remote controls, digital audio, compression, & receivers. The newest digital & high definition television systems are also discussed in detail.

2018 Newbery Honor Book and Coretta Scott King Author Award Winner 'Important and deeply moving' JOHN GREEN 'Timely and timeless' JACQUELINE WOODSON Jade is a girl striving for success in a world that seems like it's trying to break her. She knows she needs to take every opportunity that comes her way. And she has: every day Jade rides the bus away from her friends to a private school where she feels like an outsider, but where she has plenty of opportunities. But some opportunities Jade could do without, like the mentor programme for 'at-risk' girls. Just because her mentor is black doesn't mean she understands where Jade is coming from. Why is Jade always seen as someone to fix? But with a college scholarship promised at the end of it, how can Jade say no? Jade feels like her life is made up of hundreds of conflicting pieces. Will it ever fit together? Will she ever find her place in the world? More than anything, Jade just wants the opportunity to be real, to make a difference.
