Spring to the Right to Education, the collection is both an in-depth analysis of discrete topics as well as a critical reflection on the state of human rights around the world today. Taking up issues such as the African reaction to the International Criminal Court (ICC), the question of truth and reconciliation before the outbreak of post-election violence in Kenya and the links between globalization and racism, the book is a tour de force of issues that are both unique as well as pertinent to human rights struggles around the world.

First published in 2002. Routledge is an imprint of Taylor & Francis, an informa company.

"More than 80 countries around the world still make consensual homosexual sex between adults a crime. More than half have these laws because they used to be British colonies. This report describes the strange afterlife of a colonial legacy. In 1860, British colonizers introduced a new criminal code to occupied India. Section 377 of the code prohibited 'carnal intercourse against the order of nature.' Versions of this Victorian law spread across the British empire. They were imposed to control the colonies, put in place because imperial masters believed that

'Native' morals needed 'reform.' They are still in force from Botswana to Bangladesh, from Nigeria to Papua New Guinea, even though the United Nations and international law condemns them. These laws invade privacy and create inequality. They condemn people to outlaw status because of how they look or whom they love. They are used to discredit enemies and destroy careers. They can incite violence and excuse murder. They hand police and others the power to arrest, blackmail and abuse. Today, as a court case in India tries to eliminate the original Section 377's repressive force, this report documents their dangerous effects. These holdouts of the British Empire have outlived their time"--Page 4 of cover.

North Korea ' s opaqueness combined with its military capabilities make the country and its leader dangerous wild cards in the international community. Brookings Senior Fellow Jung H. Pak, who led the U.S. intelligence community ' s analysis on Korean issues, tells the story of North Korean leader Kim Jong-un ' s upbringing, provides insight on his decision-making, and makes recommendations on how to thwart Kim ' s ambitions. In her deep analysis of the personality of the North Korean leader, Pak makes clearer the reasoning behind the way he governs and conducts his foreign affairs.

Organization. It shows how to build the enabling environment and develop the skills needed to capture and share knowledge gained from operational experiences to improve performance and scale-up successes. Its recommendations are grounded on the insights gained from the past seven years of collaboration between the World Bank and its clients around the world—ministries and national agencies operating in various sectors—who are working to strengthen their operations through robust knowledge sharing. While informed by the academic literature on knowledge management and organizational learning, this handbook ' s operational background and many real-world examples and tips provide a missing, practical foundation for public sector
