Social Problems: A Down to Earth Approach, Books a la ...

This eleventh edition of Social Problems appears during an almost unprecedented time of uncertainty and danger in the world. Terrorism, military invasions, renewed regional arms races, economic downturn, shrinking public budgets, and rising fiscal deficits—all indicate an increase in social problems on many other fronts.

The text's pedagogical devices help readers to more clearly see how many individual issues and personal problems are rooted in the social arrangements of society. Four major themes guide this edition of the text: an empirical methodology; linking individual experience with social structure; recognizing that social inequality contributes to social problems; and a comparative approach.

Book Description: Social Problems: Continuity and Change is a realistic but motivating look at the many issues that are facing our society today. As this book's subtitle, Continuity and Change, implies, social problems are persistent, but they have also improved in the past and can be improved in the present and future, provided that our nation has the wisdom and will to address them.
